Hi Stephanie,

It was a pleasure speaking with you today. I am glad we connect and I hope we continue to keep the dialogue open and find opportunities to collaborate together. As I indicated we are going to release another announcement in the next week or so with more specific information on eligibility and requirements for the CVE. The information will cover the eligibility requirements, course work and renewals for former CVEs, CVEs who certification expired in the last 5 years, CRCs, IPEC, PVEs and ICVEs.

Below is the pathway for current IPECs, PVEs or ICVEs. Lastly there will be information regarding the new Code of Ethics that we are developing and the 5 year renewal requirements.

Thanks again for taking the time to speak with me today and I look forward to connecting with you soon.
