Associate Member Application

Dear Applicant:

Thank you for your interest in the American Board of Vocational Experts (ABVE). The American Board of Vocational Experts representing both private and public sectors, was founded in 1980 to preserve the integrity, standards, ethics and uniqueness of the vocational expert. ABVE as a professional certifying body seeks to identify those persons who have met their requirements for certification as Fellows and Diplomates.

ABVE also recognizes there are other professionals who are interested and involved in the field who may want an affiliation with ABVE but not certification. Because of this the Board of Directors of ABVE has set forth the following requirements for identifying persons for alternate membership in ABVE:

Associate Member status accorded to individuals who do not otherwise qualify for certification requires a demonstrated interest in the mission of American Board of Vocational Experts. Benefits of membership include: Member rate at ABVE conferences; ABVE newsletter; certificate of membership; listing in the ABVE directory; may serve on committees, but may not vote or hold office. Annual Dues are $195.00.

When you join the American Board of Vocational Experts, you join the premier organization in the vocational expert field committed to promoting the highest level of professional skill and provision of services. **All members shall be bound by the ABVE Code of Ethics.**

***Note:** The ABVE Associate Membership is not a certification, and may not be displayed as a credential after your name. Appropriate citation would be "member of ABVE" within a resume or CV.
