Statement of Student Status:

*In applying for acceptance at Student status with the American Board of Vocational Experts, I understand that this is a **membership category** only and acceptance in this category does not constitute certification as a vocational expert and does not make acceptance as a member eligible for certification. I understand this difference between membership and certification. I am aware that if accepted for membership status, I will not state nor imply that my membership with ABVE in any way constitutes certification as a vocational expert.*

Signed: _____ **Date:** _____

Please print: _____

Given my understanding of membership status, I wish to proceed with my application in the category of membership as identified on page 1 of this document.

Signed: _____ **Date:** _____
