

## 2024 ABVE Annual Conference Schedule

The planning committee for the 2024 ABVE conference has recently updated this year's conference schedule. The conference will now begin on Friday morning instead of Friday afternoon. To make way for the St. Patrick's Day parade, there will be a shorter day on Saturday. The conference will end at its regular time of 12:30 PM on Sunday. The committee plans to concentrate on sessions for new professionals and may even designate a specific track for it.

Registration for the 2024 ABVE Annual Conference will be opening soon!
